SPECIALIZED EXPERTISE FOR COMPREHENSIVE REVIEWS

At SEK, we go beyond the basics to ensure our Peer Reviews aren't just about compliance; they're about fostering growth, enhancing your technical skills, and refining your management practices. With hundreds of reviews conducted across the United States, our services are backed by a dedicated team of 10 partners and managers, ensuring a broad and deep review process tailored to your organization's unique needs.

Our qualifications span a wide range of specialties, including:

- Government auditing standards and single audits
- Defined contribution plans, including 401(k)s, 403(b)s, and Employee Stock Ownership Plans (ESOPs)
- Defined benefit plans
- Health and welfare ERISA plans
- Accounting practices (AICPA listing #10066290 for System and Engagement Reviews and Consulting)
- Financial institutions
- Department of Housing and Urban Development (HUD)
- Non-carrying broker-dealers
- International accounting and assurance engagements

As a firm deeply embedded in the accounting community, we're proud members of AICPA Center for Audit Quality, Employee Benefit Plan Audit Quality Center, Governmental Audit Quality Center, and Allinial Global. These memberships signify our commitment to quality, positioning us to offer insights shaped by current practice issues and a comprehensive understanding of diverse firm practices.
